Please note, due to the General Election November 6 early voting will take place on Saturday, November 3. For that reason, we can not allow any type of campaigning during the Cotton Festival within 300 feet of the polling location which is the 1st floor of the Courthouse. No shirts, stickers, verbal promotion, flyers or any other promotional material will be allowed in booths or on any person on the Courthouse grounds. I apologize for any inconvenience this may cause but we must adhere to state guidelines.
