

The Creative Space

Sponsored by the
Frederick Arts Council
with Crystal Ostermann

TCS is designed to help children explore through their own creative mind while developing new skills along the way.

Each month we will have new activities for them.

For adults, it's a chance to see the kids in their life have some fun while giving adults a chance to go to the grocery store or decompress from a busy day!

When: TCS will be held the 4th Thursday of each month

What time: 5-7 pm

Where: Lois Long Center

Who: We ask that kids be 5 years of age or older to be dropped off, we welcome 3 & 4 year olds with supervision

How much: \$10 per child per session, this covers the cost of supplies

*Those wishing to volunteer time or donate money are welcome and appreciated.
