

Frederick Chamber of Commerce

Application for Business Façade Improvement Grant

Sometimes a fresh coat of paint or a repaired fixture can make a big difference in the visual appeal of a business. Every Frederick business owner is encouraged to spruce up, fix up and help make our town attractive. It will be good for our town's image and it will be good for business!

The Frederick Chamber of Commerce will provide a limited number of grants in the amount up to \$200 each to Frederick businesses for purchase of exterior paint or other materials. Applicants may request up to \$200 for paint or materials. Successful grant applicants will be awarded a reimbursement voucher to allow for purchase of their paint or materials from a Frederick business. The grants will be for exterior projects only. Grant recipients must agree to paint or make repairs within 30 days of the grant being awarded.

All funding for the Business Façade Improvement Grant Project will be from Frederick Chamber of Commerce 500 Club contributions. The number of grants will be determined by availability of funds and a grant committee's review of applications.

Businesses do not have to be a member of the Chamber of Commerce to make application for the grants but applications by Chamber members will receive priority consideration.

Business _____

Owner or Manger _____

Address _____

Dollar Amount Request \$ _____

Describe improvements that you wish to make to the exterior of your business.

Limited funds are available for this project but the Chamber hopes to fund as many grant applications as possible. Applicants are therefore asked to estimate their exterior needs carefully and to request only the amount in funding that is needed up to \$200.

Completed applications should be received before noon on **Friday, April 17, 2020** at the **Frederick Chamber of Commerce Office, 100 South Main, Frederick, OK 73542.**
