As of today, all convenience stores in town are open and doing business and most retailers are with adjusted hours. Please practice the 6 ft. rule as well as proper hand washing/hand sanitizing when doing business.

If you are not sure as to whether a business is open give them a call first, you can find Chamber member business information on the Chamber website at [www.frederickokchamber.org](http://www.frederickokchamber.org), click on the "About" tab and then the "member directory" option. They are listed by type.

Please be kind and respectful when doing business, the employees of these businesses are taking a chance by showing up to work each day. Thank them and be courteous to them and other customers!
